RE: Asphalt Mix FOB Prices – Ranger Debary and Winter Garden Facilities

To all our valued customers,

Ranger, due to continuing increases in raw material cost, finds it necessary once again to increase the FOB pricing for all asphalt mix products from the Winter Garden and Debary facilities.

Beginning June 11, 2018 Ranger will be raising prices. As always Ranger values our customers and is committed to keeping prices as low as possible to help you remain competitive in the markets you serve

Attached are our adjusted FOB prices, effective 06/11/2018, for our Winter Garden and DeBary Facilities. We are currently scheduling asphalt production out of these facilities Monday through Friday. Saturday productions can be arranged as needed. Please contact the respective plant operators to schedule your prospective asphalt needs

Please be aware that due to the volatility of material prices, fuels and trucking, we cannot guarantee these prices for long term projects and further adjustments may be required. Should you need assistance on projections for long term projects, please contact us.

If you should have any specific questions regarding sales, please contact Jorge Conde at our West Palm Beach office 561-793-9400, or his cell 772-216-0382, or via email at jorge.conde@rangerconstruction.com.

You can also contact Brill Maxwell at 561-793-9400 or cell 561-719-2214 or via email at brillmaxwell@rangerconstruction.com

As always, we appreciate your business and look forward to providing you with the highest possible quality and service for all you asphalt needs.

Sincerely,

Dan Cooney
