RE: FC – 5 pricing Ranger Debarry and Winter Garden Facilities

To all our valued customers

Ranger, due to mix design changes, finds it necessary to increase FOB pricing for just the FC-5 asphalt mix product from the Winter Garden and Debarry facilities.

Beginning September 7, 2018 Ranger will be raising the price on FC-5 to \$110.00 per ton plus tax.

All other pricing will remain the same

As always Ranger values our customers and is committed to keeping prices as low as possible to help you remain competitive in the markets you serve.

Attached are our adjusted FOB prices, effective 09/07/2018, for our Winter Garden and DeBary Facilities. We are currently scheduling asphalt production out of these facilities Monday through Friday. Saturday productions can be arranged as needed. Please contact the respective plant operators to schedule your prospective asphalt needs

Please be aware that due to the volatility of material prices, fuels and trucking, we cannot guarantee these prices for long term projects and further adjustments may be required. Should you need assistance on projections for long term projects, please contact us.

If you should have any specific questions regarding sales, please contact Jorge Conde at our West Palm Beach office 561-793-9400, or his cell 772-216-0382, or via email at jorge.conde@rangerconstruction.com.

You can also contact Brill Maxwell at 561-793-9400 or cell 561-719-2214 or via email at brillmaxwell@rangerconstruction.com
