RE: Asphalt Mix F.O.B. Prices – Ranger West Palm Facility

To our valued customers,

Ranger Construction has had several significant liquid price increases over the past few months from binder suppliers. Due to these increases Ranger finds it necessary to increase pricing on two FOB asphalt mixes at our West Palm Beach facility. Starting June 10, 2019 Ranger will increase the prices of S-3R and SP 9.5 recycle mixes. At this time all other mix prices will remain the same.

As always, we are committed to holding prices as low as possible to help you remain competitive in the markets you serve.

Attached are our adjusted FOB prices, effective **06/11/19**, for our West Palm facility. We are currently scheduling asphalt production out of our West Palm facility Monday through Friday. Please contact the respective plant operators to schedule your prospective asphalt needs.

Please be aware that due to the volatility of material prices, fuels, and trucking, we cannot guarantee these prices for long-term projects and further adjustments may be required. Should you need assistance on projections for long-term projects, please contact us.

If you should have any specific questions in regards to sales, please contact; Jorge Conde at our West Palm office 561-793-9400, on his cell at 772-216-0382, or via email at Jorge.conde@rangerconstruction.com, or Brill Maxwell at our West Palm office 561-793-9400 on his cell at 561-719-2214 or via email at brill.maxwell@rangerconstruction.com.

As always, we appreciate your business and look forward to providing you with the highest possible quality and service for all your asphalt needs.

Sincerely,

Dan Cooney
Director of Asphalt Plants
Ranger Construction Industries, Inc.
