RE: Asphalt Mix F.O.B. Prices

To all our valued customers

Ranger, due to mix design changes and raw material price increases, finds it necessary to increase FOB pricing for structural mix products from the Winter Garden and DeBary facilities.

Beginning June 10, 2019 Ranger will be raising the price on S-3R and SP 9.5 \$1.00 per ton to \$59.00 per ton plus tax. S-1R and SP 12.5 will also increase \$1.00 per ton to \$57.00 per ton plus tax.

All other pricing will remain the same.

As always Ranger values our customers and is committed to keeping prices as low as possible to help you remain competitive in the markets you serve.

Attached are our adjusted FOB prices, effective 06/10/2019, for our Winter Garden and DeBary Facilities. We are currently scheduling asphalt production out of these facilities Monday through Friday. Saturday productions can be arranged as needed. Please contact the respective plant operators to schedule your prospective asphalt needs.

Please be aware that due to the volatility of material prices, fuels and trucking, we cannot guarantee these prices for long term projects and further adjustments may be required. Should you need assistance on projections for long term projects, please contact us.

If you should have any specific questions in regards to sales, please contact; Brill Maxwell at our West Palm office 561-793-9400, on his cell at 561-719-2214, or via email at brill.maxwell@rangerconstruction.com.

As always, we appreciate your business and look forward to providing you with the highest possible quality and service for all you asphalt needs.

Sincerely,

Dan Cooney

Director of Asphalt Plant Operations
