Re: Asphalt Mix F.O.B. Prices

To our valued customers,

Good news! Due to decreases in one of our raw materials, Ranger's Miami facility is able to lower pricing on SP 12.5 TLC, SP 9.5 TLC, Type S-1R & S-3R. Pricing in fact is being lowered to \$63.00 per ton effective August 19, 2019. As always, we are committed to holding prices as low as possible to help you remain competitive in the markets you serve.

Attached are our adjusted FOB prices, effective **08/19/19**, for our Miami Facility. All other FOB prices remain the same. We are currently scheduling asphalt production out of this facility Monday through Friday. Please contact the respective plant operators to schedule your prospective asphalt needs.

Please be aware that due to the volatility of material prices, fuels and trucking we cannot guarantee these prices for long-term projects and further adjustments might be required. Should you need assistance on projections for long-term projects, please contact us.

If you should have any specific questions in regards to sales, please contact Jorge Conde at our West Palm office 561-793-9400, on his cell at 772-216-0382, or via email at Jorge.Conde@RangerConstruction.com. Or contact Brill Maxwell at our West Palm office 561-793-9400, on his cell at 561-719-2214, or via email at Brill.Maxwell@RangerConstruction.com.

As always, we appreciate your business and look forward to providing you with the highest possible quality and service for all your asphalt needs.

Sincerely,

Dan Cooney
