RE: Asphalt Mix F.O.B. Prices

Valued customers:

Ranger is pleased to announce the opening of our new asphalt production facility in Ocala, Florida. The production facility will produce the same high-quality mixes provided by Ranger's six other asphalt plants throughout the state.

The address and phone number for the new facility is as follows:

9765 SW Highway 200
Ocala, FL 34481
Phone: 321 395 5256

Attached are our adjusted FOB prices, effective 11/04/2019, for the Ocala facility. We are currently scheduling asphalt production out of this facility Monday through Friday. Saturday productions can be arranged as needed. Please contact the respective plant operators to schedule your prospective asphalt needs.

We value our customers and are committed to keeping prices as low as possible to help you remain competitive in the markets you serve. Due to the volatility of material prices, fuels and trucking, however, please note that we cannot guarantee these prices for long-term projects and further adjustments may be required. Should you need assistance on projections for long-term projects, please contact us.

If you have any specific questions regarding sales, please contact Brill Maxwell at our West Palm office: 561-793-9400; on his cell: 561-719-2214; or via email: brill.maxwell@rangerconstruction.com.

As always, we appreciate your business and look forward to providing you with the highest quality products and service for all your asphalt needs.

Sincerely,

Dan Cooney
