RE: Asphalt Mix F.O.B. Prices

To all our valued customers:

After review of our prices, Ranger is pleased to announce a \$1.00 per ton decrease in pricing for two of the standard asphalt mixes at our Winter Garden facility: SP 12.5 TLC and S-1R.

Effective October 28, 2019, Ranger is lowering the price on both the SP 12.5 TLC and the S-1R from \$57.00 to \$56.00 per ton, plus tax. All other asphalt mix pricing remains the same.

For those who purchase tack, please note there is a small increase of \$2.00 per five-gallon bucket, from \$53.00 to \$55.00 per bucket.

Attached are the adjusted FOB prices for our Winter Garden facility effective 10/28/19. We are currently scheduling asphalt production out of this facility Monday through Friday. Saturday production can be arranged as needed. Please contact the plant operator to schedule your prospective asphalt needs.

As always, Ranger values our customers and we are committed to keeping all prices as low as possible to help you remain competitive in the markets you serve.

Please be aware that due to the volatility of material prices, fuels and trucking, we cannot guarantee these prices for long term projects and further adjustments may be required. Should you need assistance on projections for long term projects, please contact us.

If you should have any specific questions in regards to sales, please contact: Brill Maxwell at our West Palm office 561-793-9400, or on his cell at 561-719-2214, or via email at brill.maxwell@rangerconstruction.com.

As always, we appreciate your business and look forward to providing you with the highest possible quality and service for all your asphalt needs.

Sincerely,

Dan Cooney
